We Seventh-Day Adventists Believe...

- ❖ As a people, we hold the Bible in supreme regard as the revealer of God's truth to guide us in salvation. Our love and devotion focuses on Jesus Christ, whom we worship as our Saviour, Creator, Lord, and King.
- ❖ We believe that forgiveness, healing, and eternal life are offered freely to all on the basis of what Jesus has already accomplished for us at the cross and continues to do as He ministers on our behalf in the heavenly sanctuary above. God's mercy and grace are infinite, and are received by faith to prepare for Jesus' second coming.
- ❖ The "new covenant" provides not only forgiveness for sin, but also God's promise to write His law on our hearts so that our greatest joy will be to do His will. We keep His commandments, not in order to be saved, but because He has already encircled us in His saving arms. His law includes also the fourth commandment, Sabbath, which invites us to spend a special time of fellowship with Him on the seventh day of the week.
- ❖ We feel compelled as a people to share with a perishing world these messages of God's love in the context of the final judgment hour message of Revelation 14. Because of our devotion to Jesus, we look forward to His soon return in the clouds of heaven when we shall see our Saviour face to face.
